

# Direct Supply® Panacea® 1750 Adjustable-Height Low Bed

## Benefits

- Auto Contour helps maintain proper resident position during position changes to help avoid shearing
- Pendant features comfort chair button to help keep the resident's hips and shoulders aligned when in the seated position while also, providing several clinical benefits
- Optional width and length extension kits allow you to re-size an existing bed from 35" to 39" or 42" and from 80" to 84", helping you meet the needs of different residents easily and affordably
- Mattress keepers help prevent mattress from shifting
- Easy assembly – can be assembled in less than 30 minutes with the use of minimal tools
- Directional casters are located at the head of the bed
- Optional trapeze is available to help you provide proper resident repositioning
- Optional one-step safety lock at foot of bed is easily accessible for caregivers and secures bed at any height
- Optional staff control allows the bed to easily transition to Trendelenburg and Reverse Trendelenburg positions
- Optional staff control is integrated in the foot panel and allows for select functions to be locked out
