

For proper sizing, measure thigh circumference and calf circumference. If thigh and calf circumferences fall in two different sizes, order according to the thigh measurement.

| Size | Thigh Circumference | Calf Circumference |
|----------|---------------------|--------------------|
| XX-Small | 10½" - 12½" | 8½" - 10" |
| X-Small | 13" - 15" | 10" - 11½" |
| Small | 15½" - 18" | 11½" - 14" |
| Medium | 18½" - 22" | 14½" - 16½" |
| Large | 22½" - 25" | 17" - 18½" |
