

Easy to use!

Attendant® Pressure Pad Alarms

Safe – Simple – Affordable

Benefits

- Volume options – two-position volume adjustment; 98 dB low or 108 dB high at a distance of 10 cm
- Automatic reset – shuts alarm off as soon as pressure is reapplied to pad, reducing false alarms
- On/off switch – can disable all functionality to preserve battery life
- Protective boot – comes standard
- In-use light – notifies you at a glance that the unit is properly operating
- Low battery alert – LED light alerts caregivers when battery is near expiration
- Power source – runs on one 9V battery (not included); features convenient LED, low-battery indicator; can also operate on 120V AC power
- Attachment style – attaches to wheelchair or bedrail with standard mesh strap, optional bedrail clip, or optional chair clip
- Versatile – alarm can be used with bed and chair pads
