

Benefits

- Place under the back, hips, arm or leg of a resident to promote comfortable and functional positioning
- Made of polyurethane foam and cleanable cover material with zipper for easy removal
- Warranty: 1 year on foam, 1 year on cover

Round Bolster – round foam roll helps improve gross motor movements and muscle tone; Naugahyde® vinyl cover

Half Bolster – flat base with rounded top can be used for general positioning and to provide a stable base for knee flexion and extension; Naugahyde® vinyl cover

Wedge – right-angle wedge goes under the back, leg or arm for functional positioning; Naugahyde® vinyl cover

30- & 45-Degree Wedge – for positioning under the hips or coccyx while laterally sleeping in bed; 4-way stretch cover (available in royal blue only)
