

Panacea® 6300 Bariatric Bed

Available in 3- or 5-functions

#58625 with #67583

Benefits

- Quiet and smooth multi-position actuation with full battery backup for reliable operation
- 3-function bed features Auto Contour to simultaneously control the head and knee sections
- 5-function bed has same features as the 3-function bed with the added functionality of Trendelenburg and reverse Trendelenburg. Providing additional clinical benefits and allowing for gravity assisted repositioning and cardiac chair positioning.
- Steel rib-style bed frame with heavy-duty, lockable casters for maneuverability
- Push-button expandable deck adjusts bed width from 39" to 48"W to match any body type
- Mattress retainers to prevent mattress from shifting, wall guard and assist rails come standard
- Head- and footboard come standard in amber cherry finish
- Arrives fully assembled and IV pole ready; just attach siderails, wall guard, and head- and footboards
- Optional bariatric free-standing trapeze available

Panacea® 6300 Bariatric Bed

Available in 3- or 5-functions

Attractive amber cherry head- and footboards coordinate with existing finishes.

Four heavy-duty casters provide support for bariatric residents and are individually lockable.

Included wall guard prevents bed from contacting wall and causing costly damage.

Eight-button pendant features Auto Contour to simultaneously control the head and knee sections.

Two heavy-duty padded 3-position side rails included.

Mattress retainers, two on each corner, insure the mattress stays in the proper position.
