Diversey, Inc. is committed to a cleaner, healthier future. Our products, systems and expertise make food, drink and facilities safer and more hygienic for consumers and for building occupants.

Who We Are

Diversey, Inc. is a leading global provider of cleaning and hygiene solutions to the institutional marketplace, serving customers in the lodging, food service, retail, health care, food and beverage sectors, as well as building service contractors worldwide.

We continue to build on a century of listening to and learning from our customers. This knowledge allows us to anticipate and identify problems and solutions before anyone else, so we can offer our customers superior, sustainable choices that meet their needs and help them capitalize on their opportunities.

We have earned the trust of those who rely on us because our products demonstrate our deep understanding of our industry, our customers and the work they do.

Sustainability is at the heart of our commitment to a cleaner, healthier world. We work with our customers to create more profitable, sustainable enterprises that help them improve performance and efficiency while contributing to the greater good.

Our solutions are simple, realistic and efficient, and they are fully integrated to maximize and sustain operations. Our customers know that with our reliable and consistently superior solutions, they will achieve the results they need.

A History of Business Success

Today's Diversey has a rich legacy of businesses that were pioneers in the commercial, cleaning and hygiene business. Its roots begin in 1886, when S.C. Johnson founded his parquet floor business in Racine, Wisconsin. Not too long after, another of our legacy businesses, Diversey Corporation, was founded in 1923 in Chicago.

Both businesses continued to grow and thrive throughout the 20th century, serving customers around the world. In 1996, Diversey Corporation was acquired by Unilever to become DiverseyLever. Then, in 1997, what was known as S.C. Johnson Commercial Markets separated from its parent company to form Johnson Wax Professional.

In 2002, Johnson Wax Professional acquired DiverseyLever and the combined company became JohnsonDiversey until March 2010, when the name was simplified to Diversey.

In 2011, Diversey was acquired by Sealed Air Corporation, creating a new global leader in food safety and security, facility hygiene and product protection.

A Global Partner

With offices in more than 60 locations worldwide, our global reach and operations span the globe, allowing us to serve our customers closest to where they do business. We have the size and expertise to provide leading solutions everywhere:

- ▶ Over 10,500 employees worldwide
- ▶ Sales into more than 175 countries
- ▶ A leading market position in every region

Always Innovating

Our commitment to innovation is total. We are constantly searching for better ways to address your cleaning and hygiene needs and consistently introduce new innovations to the market.

This commitment to innovation is evidenced by the introduction of breakthrough products and solutions such as Revoflow®, SmartDose™ and Optifill™ dispensing systems, TrailBlazer™ and ProSpeed™ floor finish applicator systems, TASKI® floor machines, Dry Tech 5 dry lubricant, among many.

Stewardship in Product Design

Diversey has a long tradition of environmental stewardship and a commitment to sustainability. A key part of the company's mission is to provide solutions for customers that help them become more sustainable. Therefore, products are designed with technologies that help save water, prevent waste, and minimize impact on health, safety and environment.

- ▶ Diversey scientists follow the company's Global Action List (GAL) when developing products. The GAL is a unique chemical-use policy which prohibits or restricts the use of more than 60 chemicals.
- ▶ Specific policies are in place for the formulative use of materials such as dyes, fragrances and preservatives to help assure that products are considerate of both end users and the environment.
- ▶ All formulas are reviewed by Diversey toxicologists to assess human and environmental risks. Formulas posing unacceptable risk are not approved for production. All product testing must comply with Diversey's highly restrictive Animal Testing Policy.

Because of a strong commitment to product stewardship, Diversey is an industry leader of green products. To meet the growing demand for third-party validation of environmental, health and safety claims, Diversey has earned third-party product certification from Green Seal, Environmental Choice and the GREENGUARD Environmental Institute. In fact, Diversey is the only company to have earned GREENGUARD Certification for Indoor Air Quality on a cleaning system, including chemicals, microfiber and Healthy High Performance Cleaning Procedures.

Diversey recognizes its responsibility as a cleaning product manufacturer to produce products that do not harm human health or the environment.

In 2008, the World Wildlife Fund (WWF) accepted Diversey for membership in its Climate Savers program, the most aggressive and most prestigious program in the world aimed at reducing green house gas emissions. This represents a major commitment on the part of Diversey, one that reflects our century-long heritage of environmental stewardship.

Green Seal Certified® Logo is a registered certification mark owned by Green Seal, Inc.
 ECOLOGO® Logo is a certification mark owned by Terrachoice Group, Inc.
 GREENGUARD Indoor Air Quality Certified is a registered certification mark of Air Quality Sciences, Inc.

Fabric Care

Snuggle® Fabric Softener Sheets - Blue Sparkle

Easy and convenient way to add extra long-lasting freshness to laundry while reducing static cling. Keeps clothes touchably soft and wonderfully fresh!

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
CB451088	12 x 40 count (40 loads per unit)				USA
CB451156	6 x 120 count (120 loads per unit)				USA

Snuggle® Fabric Softener Sheets - Cuddle Up Fresh®

Floor Science® Floor Care System7-8
Tools & Accessories9-10

Diversey is the worldwide leader in the floor care industry. Our wide range of complementary products, tools and machines, supported by training services enable you to achieve the desired appearance of floors that will please any and all visitors to your facilities.

Unique polymers build the world's best floor care coatings and ensure consistent high quality results each and every time. Product lines include a broad variety of finishes, buffing waxes, sealers, strippers and maintainers for all types of flooring surfaces, including vinyl, terrazzo, granite, concrete, rubber, marble, linoleum and wood. We also provide a full range of carpet cleaners, such as extraction cleaners, shampoos and pre-sprays, treatments, such as deodorizers, and a full line of carpet spotters.

Diversey is the recognized leader in floor care risk management and is one of the foremost authorities on slip and fall accident prevention.

Liquid Detergents

Wisk® Heavy Duty Liquid Detergent

Concentrated liquid attacks everything from protein stains to oily dirt. Use as a powerful stain pre-treatment or all purpose cleaner/degreaser. Provides optimum results on all fabrics in all wash conditions.

Carpet Care Spotter Guide 16

The Diversey carpet care product line delivers results when using traditional or green cleaning methods.

Half of all floors in North America are carpeted and require specific products to be properly maintained. Diversey provides a range of daily, interim and restorative cleaning products for all types of carpets. The daily products include a wide range of daily and specialty spotters, interim includes both low moisture and traditional shampoo products, and for the ultimate in clean carpets, we also have a full line of traditional extraction chemicals.

Light Traps

COBRA® Translucent 45W Insect Light Trap

Our best trapping model yet! Fast, safe and effective 24-hour fly control for food handling areas. Attracts insects with 3-15 watt UVA bulbs. Translucent cover increases UV emission and greatly improves catch. Captures insects on removable adhesive trapping boards, keeping them out of sight and intact. Operates silently—no zap or sizzle. Low voltage allows strategic placements. Easy maintenance of replacement bulbs and adhesive boards. Meets all FDA and USDA requirements for use in and around food handling facilities when used as directed.

Carpet Spotter Guide

Percolator™ Carpet Spotter and General Purpose Spotter are effective on a wide variety of spots and stains. If spots remain after its use, follow the recommendations outlined on the Stain Chart. First, identify stain/spot on chart then apply spotters in order shown on chart—1 for first product, followed by product 2, etc., until spot is gone.

General Spotting Rules:

Identify stain and use appropriate spotter(s). If stain cannot be identified, use General Purpose Spotter or Percolator™ Carpet Spotter. If stain remains, use P.O.G. (Paint, Oil, and Grease) Spotter Gel or Citrus Express Gel. Follow with a thorough rinsing so no cleaner residue is left in carpet.

Difficult Spots and Stains:

Asphalt Tracking: Vacuum thoroughly before applying diluted Heavy Duty Prespray. Agitate with a carpet rake, extractor or brush and let sit for 10 minutes to loosen soils. Extract according to directions. Dry carpets as quickly as possible.

Reoccurring Spots:

This occurs because excessive soil or detergent from spotter remains in carpet. Remove by re-cleaning with appropriate spotter, rinse until thoroughly clean and blot dry.

Preventing reoccurring spots from wicking:

- ▶ When spotting, be sure to blot until all of the liquid is removed.
- ▶ Dry the carpet as quickly as possible using carpet fans or some type of air mover.
- ▶ Use a carpet rake. Depending on the thickness of the pile of the carpet, using a carpet rake can decrease drying time by at least 30 percent.
- ▶ Do not over wet the carpet.

*Follow OSHA Bloodborne Pathogen standards for blood stains.

Dilution Control Systems

RTD® Dispensing System..... 18-19

SmartDose™™ System..... 19

Diversey has a strong heritage in the innovation of dispensing systems. We are continually developing manual, water-driven or electronic dosing systems that deliver application-specific solutions for our customers. Diversey strives to deliver diverse dispensing platforms to fit your needs. Systems range from wall-mounted systems to the portable RTD® (Ready to Dispense) dispensing platform. The patent-pending SmartDose™™ System allows you to easily, safely and accurately dose concentrated cleaning products.

Repellents 95-96

Insecticides..... 97-99

Light Traps 100

Insect control products offered by Diversey include repellents to protect against mosquitoes and the diseases they may carry and insecticides to kill a variety of insects.

Insect Control

Insect Control

COBRA® Translucent 45W Insect Light Trap

Our best trapping model yet! Fast, safe and effective 24-hour fly control for food handling areas. Attracts insects with 3-15 watt UVA bulbs. Translucent cover increases UV emission and greatly improves catch. Captures insects on removable adhesive trapping boards, keeping them out of sight and intact. Operates silently—no zap or sizzle. Low voltage allows strategic placements. Easy maintenance of replacement bulbs and adhesive boards. Meets all FDA and USDA requirements for use in and around food handling facilities when used as directed.

 <p>Suma® Kitchen Degreaser D2.4</p> <p>Suma® Kitchen Degreaser is a highly concentrated blend of surfactants that delivers superior degreasing of hard surfaces. It can be used for most surfaces in a food service environment, and is non-corrosive — even in its concentrated form. It produces thick long-lasting suds which help to cut through grease and penetrate and lift soils off of surfaces, but rinses easily without leaving residues. Dark green in color with no fragrance added.</p>	3062493	1 x 5 L RTD®	1:64	6.8	5.8	USA, CAN

Glass Cleaners

	SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
Windex® Multi-Surface Antibacterial						
	CB701380	8 x 32 fl. oz./946 mL	RTU	2.8		
Versatile cleaner effectively kills 99.9 percent of bacteria, removes grease and cleans surfaces, including glass, to a streak-free shine. Sanitizes hard, nonporous surfaces in 10 seconds. Disinfects hard, nonporous surfaces in five minutes. Wherever food contact is likely, rinse surface with tap water after use. See label for complete list of organisms and directions on how to sanitize and disinfect.						
	CB817724	12 x 765 mL	RTU	2.8		
Windex® Original						
	CB201330	12 x 26 oz./768 mL Trigger Sprayer	RTU	10.8		
Cleans with Ammonia-D® for a streak-free shine. Loosens soil upon contact. Won't streak or leave a film. Also cleans chrome, stainless steel, Plexiglas®, mirrors, ceramic tile, enamel, plastic and other hard surfaces. Contains no phosphates.						
	CB001282	6 x 67.6 oz./2 L Refill	RTU	10.8		
	CB001237	12 x 12 oz./355 mL Pump Sprayer Retail Pack	RTU	10.8		
Windex® Original Glass & Surface Wipes						
	CB702325	12 x 28 count Pre-Moistened Wipes	RTU			
Windex® streak-free shine available in an easy-dispensing flat pack. Effective on windows, glass, mirrors and other hard surfaces. Anti-static wipes.						
Windex® Glass Cleaner with AMMONIA-D® Super Concentrate						
	4601541	6 x 32 oz./946 mL	1:8	11.0	10.2	
Cleans with Ammonia-D® for a streak-free shine. Loosens soil upon contact. Won't streak or leave a film. Also cleans chrome, stainless steel, Plexiglas®, mirrors, ceramic tile, enamel, plastic and other hard surfaces. Contains no phosphates. Six quarts per case; each quart yielding nine quarts of ready-to-use glass cleaner. Improved formula, 1:8 concentration = 13 percent more product per case (six additional ready-to-use quarts). NSF C1 Registered.						
Windex® Multi-Surface Vinegar						
	CB701397	8 x 32 oz./946 mL	RTU	10.0		
Cleans almost anything to a streak-free shine. Versatile for use on windows, mirrors, countertops, appliances, kitchen and bathroom surfaces, chrome and even car interiors. Non-aerosol, ammonia-free formula has no harsh vinegar smell and leaves a fresh, clean scent.						
Windex® Original						
	CB807701	12 x 765 mL	RTU	10.8		
Cleans with Ammonia-D® for a streak-free shine. Loosens soil upon contact. Will not streak or leave a film. Also cleans chrome, stainless steel, Plexiglas®, mirrors, ceramic tile, enamel, plastic and other hard surfaces. Contains no phosphates.						
	CB006722	4 x 5 L	RTU	10.8

Specialty Cleaners

Duster Plus® Dusting Spray

Dusts and leaves a shine on wood, resilient floors, even stainless steel. Works like a magnet to remove dust, oil-based and waterbased smudges and stains. Can also be used as a dust mop treatment. Picks up dust rather than scattering it, so you dust less often. Fresh lemon fragrance. Contains no CFCs. Multi-surface: can be used on everything from furniture to floors, blinds to artificial plants, books to baseboards.

Toilet Bowl Cleaners

VANISH® Non-Acid Bowl & Bathroom Cleaner II

Cleans and disinfects in one step. Powerful quaternary detergent thickened liquid for toilet bowls, urinals and general purpose bathroom cleaning and disinfecting. Bactericidal, virucidal, odor neutralizer and deodorizer. Disinfects against the following organisms on hard, nonporous environmental surfaces: Staphylococcus aureus, Pseudomonas aeruginosa, salmonella enterica. Hospital-grade. Evaluated and found to be effective in the presence of 10 percent serum against the AIDS virus on inanimate surfaces with one minute contact time.

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
90158	6 x 32 oz./946 mL	RTU	7.0		

VANISH® Thick Liquid Disinfectant Bowl Cleaner

Disinfects in one minute! 9.25 percent hydrochloric acid formula is extra thick to cling to the sides of the bowl. Cleans, disinfects and deodorizes toilet bowls and urinals. Dissolves limescale and uric acid deposits and stains. One-step, hospital-grade cleaner/disinfectant. Kills Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, E. coli 0157:H7, Methicillin Resistant Staphylococcus aureus (MRSA), HIV-1 (AIDS virus), Hepatitis A Virus, Herpes Simplex 1 and 2.

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
90157	12 x 32 oz./946 mL	RTU	1.0		

Scrubbing Bubbles® Toilet Cleaning Gel – Fresh Clean

Continuously cleans and freshens with every flush to prevent the build-up of lime scale and toilet rings. Eliminates odors as it cleans. Lasts up to one week, leaving no residue behind.

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
CB700910	12 x 1 each (1 dispenser, 6 gel discs)	RTU	5.0–6.0		

Restroom Cleaners

Antibacterial Scrubbing Bubbles® Bathroom Cleaner

Antibacterial foaming action thoroughly cleans, shines, sanitizes and deodorizes—without scrubbing! Attacks soap scum, hard water stains and dirt. Controls mildew. Kills common germs such as Staphylococcus aureus and E. coli. Won't scratch surfaces; leaves a brilliant shine. Not for use on acrylic, brass or natural marble surfaces. Multisurface: can be used to clean tubs, showers, basins, glazed ceramic tile, stainless steel, chrome, fixtures, fiberglass and glazed porcelain surfaces.

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
94308	12 x 25 oz./709 mL Aerosol	RTU	11.0		

Scrubbing Bubbles® Antibacterial Bathroom Wipes

Flushable bathroom wipes - just wipe and flush the mess away! Pop-top canister helps keep wipes moist between uses. Convenient—quick and easy way to touch-up bathroom surfaces to a beautiful shine. Easy-to-use—simply grab a wipe, wipe-up stains from the toilet seat, rim, tank or other bathroom surfaces and flush the mess away. Kills odor-causing bacteria.

SKU	Pack Size	Dilution Ratio	pH Conc.	pH Dilution	Country of Sale
