

Direct Supply Panacea[®] Immerse[™] Mattresses

A comfortable sleep surface proven to effectively redistribute pressure

Benefits

- Three distinct zones create varying levels of pressure redistribution
- Enhanced pressure redistribution zones are engineered specifically for high-risk areas including the head, shoulders, hips, legs and heels
- Open-cell viscoelastic top-layer foam core removes body heat at a greater rate than conventional foams
- Available with raised side perimeters

**Proven Performance from
Direct Supply[®] Panacea[®] Immerse Mattress**

Specifications

- 350 lb. capacity
- 2 layers of foam
- Complies with 16 CFR 1633, TB603, CA #129, CA #117
- 4-way stretch cover
- 5 yr. non-prorated warranty
- 35", 39" and 42"W
- 76", 80" and 84"L
- 6"H

Firm Perimeters

Provide safe transfer support and act as a gentle reminder that the resident is near the mattress edge to help minimize the risk of falls and entrapment

Pressure Zones

Enhanced pressure redistribution zones are engineered specifically for high-risk areas including the head, shoulders, hips, legs, and heels

Cover

Four-way stretch top cover with zipper allows for maximum resident immersion; low-shear, antimicrobial and fluid-resistant
