

# Panacea® Bariatric Foam or Gel-Foam Cushion

Bariatric Foam Cushion

#73107

Bariatric Gel-Foam Cushion

#73118

## Benefits

- Moderate and advanced bariatric cushions for increased durability
- High-density foam for support and longevity
- Cushion with optional gel pack helps provide increased pressure redistribution for higher-risk residents and helps draw away heat and moisture; four-chamber gel stays in place
- Four-way stretch cover is antimicrobial, fluid resistant and breathable
- 650 lb. weight capacity; 3.5"H
