

Deluxe Attendant® Pressure Pad Alarms

Safe – Simple – Affordable

Benefits

- **Alarm delay** – three-position alarm delay adjustment; 0, 1 or 2 seconds; if pressure is restored within this time, no alert is sounded
- **Volume options** – three-position volume adjustment; silent, 98 dB low or 108 dB high at a distance of 10 cm
- **Nurse call capability** – allows for call cord accessories to connect the alarm with most hardwired nurse call systems
- **Automatic reset** – shuts off when pressure is reapplied to pad, reducing false alarms
- **No on/off switch** – doesn't use on/off switch so alarm can never be accidentally turned off
- **Protective boot** – comes standard
- **In-use light** – notifies you at a glance that the unit is properly operating
- **Power source** – runs on one 9V battery (not included); can be operated on 120V AC
- **Attachment style** – attaches to wheelchair or bedrail with mesh strap
- **Versatile** – can be used with bed and chair pads
