Expand Your Cafeteria with a Mobile Kiosk™

Expand Grab-n-Go offerings beyond the cafeteria and maximize traffic with the CamKiosk. Display meals, snacks and beverages on the spacious countertop and use the insulated cabinets to store hot or cold items at safe temperatures for hours. The CamKiosk is designed to provide the highest versatility, mobility and safety while allowing personalization to promote your brand.

Telescoping poles enable canopy to lower 12" (30,5 cm) for easy passage through doorways.

Display panel and canopy can be personalized.

Complementary Products

Hand Sink Cart

Add a Hand Sink Cart for convenient hand washing to help meet health code requirements to expand menus.

Camchiller®

Keep packaged foods cold during transport and service with Camchillers when placed directly on top of food pan wells or at the top of the CamKiosk's insulated holding cabinet.

ColdFest® Food Pans

Keep food chilled and compliant with HACCP guidelines without the use of messy ice. Will hold contents for 6 to 8 hours.
