

#A0176

Benefits

Extensive Adjustability

- Hydraulic reclining mechanism allows adjustments up to 180 degrees

Strong, Durable Design

- Carbon steel frame with silver vein finish is easy to maintain; composite mag-style wheels are maintenance free

Resident Comfort

- Swingaway elevating legrests and headrest extension with immobilizer; arms with support extension for reclining position come standard

Safety Features

- Wheels are set back on frame to help prevent tipping; also includes rear anti-tippers

Enhanced Comfort

- Nylon upholstery is flame retardant, bacteria resistant, lightweight and breathable
