

#98492 Attendant
Wireless Alert

Direct Supply® Attendant® Wireless Pad Alarms

Help increase resident safety with a wide variety of Attendant wireless alarms and pads.

#98492

Benefits

- Wireless connectivity reduces risk of tripping and other damage
- Versatility is key – bed, chair and floor pad options are available to fit your needs
- 15-25 ft wireless range
- Compatible with wired pad inventory
- Nurse call capability removes alarm sound from resident's room
- Lack of an on/off switch reduces risk of tampering
- Silicone boot provides protective layer and protects against tampering
- Delay alert for 0, 1 or 2 seconds to prevent false alarms; alert volume is also adjustable
- "In Use" light ensures alarm is operational
- Easily attaches to wheelchair or bed rail with nylon strap or optional clip
- Powered by 9V batteries with intuitive design to make battery replacement easy
- Low-battery alert notifies caregiver when replacement is needed
