Category: Living Room

Collection: Rhianna

Motion Type: Stationary

Style: Transitional

Brand: H Contract

Product Description: A contemporary spin on classic design, the Rhianna Chair has swagger with angled wings, a softly-scooped back and tasteful button tufting detail. The high-back design offers comfort and support, making the Rhianna an ideal chair for lounges, lobbies and gathering areas. Also available with a plain back without buttons.

Status: Active

Finish: There are 14 wood finishes available on this item.

Features: Commercial-grade plywood frame for strength and stability
Solid hardwood legs for long-lasting durability
Commercial-grade foam and filling materials for maximum resiliency
Removable seat deck for fast and easy cleaning
Moisture barrier on seat cushion and removable seat deck to help manage spills

Finish Construction: Finishes of unmatched sophistication, depth and clarity are produced by our multi-step finishing process. The process begins with hand sanding for a superior appearance and feel. Some finishes feature hand "distressing," which gives each piece its own unique character and richness. The frames then progress through the steps of staining, wash coating, sanding, glazing, spattering, dry brushing, sealing and finally, lacquering, to provide sheen and protection.

Frame Construction: Kiln-dried laminated plywood for strength and dimensional stability. Tongue and groove joinery provides long-lasting durability. Frames are reinforced with corner blocks, glued, and attached with heavy-duty wood screws at the points of greatest stress. Exposed wood parts are crafted from solid hardwood and are hand-sanded prior to finishing for a superior look and feel.

Seat Back: Tight back. Cushion is 1.2 density foam with 23 pound compression with polyester fiber overlay.

Seat: Loose seat cushion on removable seat deck with moisture barrier. H Contract Classic seat cushion is standard, comprised of 2.3 density, 35 lb. high resiliency foam encased in a moisture barrier cover. Optional upgrade to Comfort Zone or Spring Luxe seat cushion available to specify.

Fabric: H Contract seating products are available in thousands of commercial-grade textiles including wovens, vinyls, and polyurethanes from the industry's finest sources. All specified textiles must meet or exceed the requirements of the State of California, Department of Consumer Affairs, Technical Bulletin 117-2013.

COM Fabric Yardage Required 54-inch Plain: 4.5
