

Direct Supply® Stow-and-Go Legrest Carriers

*Doesn't interfere
with folding!*

Benefits

- Switch, store and transport the right legrests with the right wheelchairs
- Easily mounts to wheelchair frame
- Resident benefits: out of sight, doesn't interfere with wheelchair use and no contact to wheelchair back upholstery means no contact with resident's back
- Caregiver benefits: convenient access yet out of the way when walking and allows wheelchair to be folded without removing
- Easy, tool-free attachment
- Made of durable yet lightweight nylon
- Holds articulating and elevating legrests and swingaway footrests
- Fits most standard folding wheelchairs
- Patented; Patent No. US 11,786,424

#L9982 Stow-and-Go Legrest Carriers set of 2
