

# Panacea® Tilt-in-Space Wheelchair

## Benefits

- 45 degrees of tilt
- Multi-point adjustable headrest
- Features low seat-to-floor height, height-adjustable flipback armrests, flip-up anti-tippers and push-to-lock wheel locks
- Standard seating system consists of a two-way, contoured, padded, fixed headrest, back with 1" depth adjustability and optional cushion
- Cushion accommodates residents up to 350 lbs. requiring high positioning support and mild to moderate postural support
- Tri-layer molded polyurethane foam base with viscoelastic foam topper
- Tapered leg adductors, deep lateral and medial contours and coccyx relief
- Removable cover features 4-way-stretch, fluid-resistant inner liner and breathable outer cover
- Backrest is 18"H with 6" of lateral support and angle adjustment of up to 15 degrees forward and up to 20 degrees backward
