Direct Supply[®] Panacea[®] Heavy-Duty, Extra-Wide Wheelchair

Extra-wide seat and increased weight capacities accommodate larger residents

Benefits

Tool-Free Adjustments

- Comes with swingaway footrests or elevating legrests with tool-free, length-adjustable front riggings

Fits Multiple Residents and Enhances Flexibility

- Dual-axel design allows seat height to be lowered to hemi-height, accommodating residents of different sizes

Increased Capacity

- Reinforced carbon steel frame for better durability at higher weights
- Extra-wide seat – up to 24" extension accommodates larger residents

Easy, Safe Transfers

- Removable armrest option allows you to move armrests out of the way for smoother transfers

Convenient Storage

- Carrying pocket on backrest provides additional convenient storage

Increased Wheelchair Lifespan

- Composite mag wheels with molded contours add strength and durability
- Triple-coated chrome is chip-proof for structure and appearance
- Double-embossed, 32 oz. vinyl-upholstered seat is easy to clean, lightweight and durable

Minimal Maintenance

- Urethane tires on composite wheels, double-embossed vinyl and sealed bearings ensure low maintenance for the life of the chair
