

# Panacea® 8000 Bariatric Bed

## Benefits

- Steel rib-style deck with heavy duty casters can support up to 800 pounds
- Integrated width and length extension allows you to adjust without the use of tools, so you can easily meet different resident needs without investing in additional equipment
- Pendant features Comfort Chair button to help keep the resident's hips and shoulders aligned when in the seated position
- Optional staff control includes Trendelenburg and Reverse Trendelenburg
- Integrated leg lift means elevating the foot section of the bed is simple for caregivers
- Backlit hand pendant makes bed adjustments during the night easy for both residents and staff
