820DLX

820-3MDLX SHOWN

The 820DLX is the workhorse of long-term care, offering proven, dependable performance at an affordable price. This durable bed includes features such as an expandable mattress deck, broad travel range, removeable bed-end brackets and a built-in hand crank so the bed can be raised or lowered by hand in case of a power outage, or if the battery runs out.

820DLX

Optional 6-Function Hand Control Pendant

The 820-3MDLX's electric Hand Control features bright, universal symbols and allows residents and staff to easily operate the comfort controls of the bed.

Adjustable Mattress Deck

With adjustable bed-end brackets and corner mattress keepers, the 820DLX beds are expandable from 76" to 80".
