

Features

Craftsmanship You Can Trust: Each Hekman chair is meticulously bench-made in the USA by skilled artisans, ensuring unique quality and detail.

Built to Last: With over 90 years of expertise, our chairs are designed using innovative, eco-friendly processes for unbeatable durability.

Seamless Design: Enjoy a cohesive aesthetic as our fabrics are precisely matched and flow flawlessly over the chair frames.

Attention to Detail: From tailored welts to beautifully covered buttons and tufts, every element is crafted with precision.

Personalized Quality: Our COM fabrics are hand-cut and expertly matched by a dedicated seamstress for a truly custom look.
