Direct Supply® Panacea® Home Comfort™ Mattresses

Luxurious memory foam provides comfort and support for your residents

Benefits

- Memory foam support surface gives your residents a comfortable, homelike, nonclinical mattress available in standard sizes such as twin, full and queen; king-size mattresses, frames and foundations are also available (call for details)
- Open-cell memory foam provides better breathability and comfort than higher density visco elastic foam
- Memory foam reduces pressure points by contouring to the body
- Works with a standard bed frame and foundation for easy transition from residential innerspring mattresses
- Vacuum packed in an easy-to-manage box that is $\frac{1}{3}$ the size of the mattress; can be quickly unpacked and set up
- Polyester cotton blend mattress cover provides a protective yet homelike layer; follow care instructions for cleaning
- 100% hypoallergenic and anti-microbial; resistant to mold, mildew and odor-causing germs
- 10-year limited warranty provides you with the assurance that you are buying a quality mattress
- Made in the USA

Specifications

- 8" height
 - 3" top layer of open cell memory foam
 - 5" bottom layer of high density support foam
- Available in:
 - Twin 39" x 75"
 - Full 54" x 75"
 - Queen 60" x 80"
- Meets 16 CFR 1633 (when used with Direct Supply foundation)

Residential non-medical mattress not intended to cure, mitigate, treat or prevent decubitus ulcers.
