

Panacea® 3000

Adjustable-Height Low Bed

Roll in Low

Mobile Any Height

Resident Comfort

- Auto Contour moves the head and knee sections at the same time to help maintain proper resident position during position changes to help minimize shearing
- Optional width and length extension kits allow you to re-size an existing bed from 35" to 39" or 42"W and from 80" to 84"L, helping you meet the needs of different residents easily and affordably

Reliable

- Mattress keepers help prevent mattress from shifting, while the bed locator bar protects walls from damage
- Available in both roll-in-low-only and mobile-at-any-height configurations
- Meets IEC 60601-2-52 standards

Easy to Use

- Assists, extension kits and end panel brackets can be installed tool-free and feature quick-release technology
- Optional staff control is integrated in the foot panel that allows for select functions to be locked out to assist with clinical needs and aid in repositioning

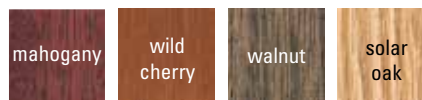

Panacea® 3000

Adjustable-Height Low Bed
