

Panacea® Home Care Bed

#39YTV Panacea Full-Electric Home Care Bed with Half Length Assist Devices

Benefits

- Available in semi-electric or full-electric configurations with optional half rails
- Lightweight design ships as a split frame, making it easy for a single person to assemble and transport
- Frame features a durable slat deck that is easy to clean, and helps prevent tearing of mattress covers
- Frame with adjustable height range raises to 23" to protect caregivers from back injury and lowers to 15½" for fall risk prevention and make it easier to get in and out of bed
- Hand crank for manual adjustment. Semi-electric bed uses hand crank to adjust the height; full-electric bed has manual hand crank as back up in case of power failure.
- 3" casters, 2 locking
- Use 35" x 80" mattress
- Wood grain laminate end panels come standard with Walnut finish
