

Direct Supply® Attendant® Tabletop Compressor Nebulizer

#JY907

Benefits

- Compact - Smaller than a laptop and weighing only 2.75 lbs, this nebulizer system is easy to transport in a suitcase for a trip or from room-to-room
- Quiet - The Attendant Tabletop Compressor Nebulizer maintains a soft low blower motor noise when delivering therapy to ensure a calm, hassle-free experience. How low is the noise level? At around 60 decibels (dBA) this breathing machine stays around the average nebulizer noise level. By comparison, the typical sound level for the average conversation is 60 dBA
- Fast, Effective Therapy - With a compressor pressure range between 30-45 psi and a particle size from 0.5-5 microns, you can now receive optimum lung absorption when using your nebulizer
