Direct Supply[®] Panacea[®] Reclining Wheelchair

Full reclining support for residents with special needs

Benefits

Extensive Adjustability

- Hydraulic reclining mechanism allows infinite adjustments up to 180 degrees

Strong, Durable Design

- Carbon steel frame with silver vein finish is easy to maintain; composite mag-style wheels require no maintenance

Resident Comfort

- Swingaway elevating legrests and headrest extension with immobilizer; arms with support extension for reclining position come standard

Safety Features

- Wheels are set back on frame to help prevent tipping; also includes rear anti-tippers

Enhanced Comfort

- Nylon upholstery is flame retardant, bacteria resistant, lightweight and breathable

► **FLAT-RATE SHIPPING –**

only \$15 (one chair) or \$25 (two or more chairs) per shipment!

Flat-rate shipping applies to regular ground shipping within the 48 contiguous states; fee applies per manufacturer shipment.

Add a Direct Supply® Panacea® cushion for pressure management.
