Chair Weight	22 lbs.
Weight Capacity:	300 lbs.
COM Details*:	1 1/5 yds.

Stacking:

The Kensington Dining Chair is nonstacking.

Cushion Details:

Seat: 1½" thick, 1850 high-density FR foam.
Back: 1" thick, 1030 high-density FR foam.

Construction:

Mortise-and-tenon joints. Glued with high-solids wood glue and reinforced with 18-gauge nails, corner blocks and low-root woodscrews. Seat decks have a woven elastic nylon mesh support.

Wood Details:

Species: 100% solid European beech hardwood.

Finish Details:

A wide range of standard finishes is available, and custom finishes are available upon request for an upcharge. All wood dining chairs are finished using a 9-step process that enables the chair to perform very well in a commercial environment.

* Fabric requirement for one chair includes the seat and backrest
* COM (Customer's Own Material) is not recommended because of the fees associated with international customs
* The estimated fabric requirement is based on 54"W (137 cm) material. The actual amount required may vary depending on pattern, pattern matching, material width or use of multiple fabrics
* The fabric on the backrest is visible from the rear view of the chair
* Different fabrics on seat and backrest is possible

Floor Glides:

All chairs ship standard with white nylon floor glides. Optional floor glides include small and large metal, large white nylon and felt.

Mobility Options:

The Kensington Dining Chair is available with casters or in-line wheels on the front legs for an upcharge. In-line wheels have a color option of brown or white, and casters are antique brass. Casters and in-line wheels are factory installed and not available as an aftermarket purchase.

Custom Options:

The Kensington Dining Chair is available without arms.

Regulations:

All chairs are CA117-2013 and TSCA Title VI certified. CA133 is not available.

Packaging:

Single chair ships upright in a box.

Warranty Information:

10-year limited warranty on the chair frame. Warranty does not cover damages to chair or surfaces caused by in-line wheels or casters. 1-year limited warranty on the seat and backrest foam. Fabric manufacturer's warranty on fabric.
